Welcome

Hello and welcome to House of Townend's Christmas brochure for 2024, which showcases a wonderful selection of wines and gift sets to take care of all your Christmas needs.

This year has been a particularly busy one with many wonderful new additions to our range. Following our wine buying trips to unearth exciting new wine estates, we now have our most comprehensive range ever, with wines from Georgia, Slovenia, Kosova and Serbia joining our wide offering from the more established wine producing countries of the world. There is also a stronger representation of Natural wines which sit alongside our wide range of organic and biodynamic wines. Sustainability was a fundamental driver of our wine buying strategy long before it became fashionable.

We were delighted to see our dynamism recognised at the International Wine Challenge Awards 2024 where we were crowned Northern Wine Retailer of the Year!

As always, we have also sourced a great selection of Christmas gift sets from our dedicated suppliers, and our team will be more than happy to give help, assistance or inspiration when choosing presents, wanting food matches or picking wines to enjoy yourself. Alternatively, if you prefer to do your browsing and shopping online, head straight to www.houseoftownend.com where you will find our extensive range of wines, spirits and gifts to choose from as well as online gift vouchers.

We look forward to being of service to you this Christmas!

THE CELLAR DOOR

The Cellar Door at House of Townend is an award winning wine shop based in Melton. We stock a range of over 1000 top quality, great value wines, beers and spirits from all over the world. Our offerings range from everyday drinking wines through to some fabulous fine wines from Bordeaux, Burgundy and the New World.

We pride ourselves on offering great value for money on our entire range and always offer a fair price - if you pay £8.99 for a bottle of wine you will get a great wine that's worth £8.99! We work very closely with different wineries and suppliers to be able to offer great deals on Champagne and everyday drinking wines. This means that, in and amongst our great value wines, we always have a series of fantastic offers which are updated regularly. We also have a continually changing range of bin-end wines too, so there are always some great individual bargains to be found.

As well as our competitive prices, we always aim to add extra value to the products we sell by spending as much time with our customers as they need, advising and consulting, and giving them the chance to taste wines before they buy.

Gift Vouchers

Wine can make the perfect gift for family members, friends or colleagues. But wine choice can also be quite personal. So, rather than selecting a bottle yourself, why not buy them one of our Cellar Door Gift Vouchers?

Cellar Door Gift Vouchers are available to purchase from the shop, are available in £10 or £25 increments, and can be redeemed against any product in store as well as tickets to our tasting events. Vouchers can also be used in our Wine Bar, which is open every Friday from 12pm until 9pm, and Saturday from 12pm until 4pm (from February to October).

At the Wine Bar you can enjoy a selection of fine and eclectic wines by the glass from our new Enomatic wine dispenser, as well as having the option to buy and open any bottle from our shelves for a small corkage fee. To complement your wine, we also offer a range of cheese and charcuterie from award-winning suppliers 'Courtyard Dairy' and 'Wildman British Charcuterie and Salami' with some locally sourced sourdough bread.

Please note that our online E-gift vouchers are managed on a separate system and any gift vouchers purchased in store cannot be redeemed online, and vice versa.

2024 Awards

We are absolutely thrilled to have been named IWC Regional Retailer of the Year 2024 for Northern England!

The International Wine Competition was the first competition of its kind set up to find, promote and reward England's best Wine Merchants. What sets the IWC apart is the formidable reputation of its judging process. In a pursuit for excellence, their panels of carefully selected industry experts comprise of Masters of Wine, buyers, sommeliers, WSET qualified educators and respected wine journalists. Winning an award at the International Wine Challenge is a significant achievement and one that we're incredibly proud to have received!

We were also named as a finalist for Online Retailer of the Year in the prestigious Drinks Business Awards 2024.

HOUSE OF TOWNEND

Own Label

1. HOUSE OF TOWNEND CLARET HOUS045 £9.99

Our partner and producer of our delicious, succulent House of Townend Claret is the family owned Maison Sichel, one of Bordeaux leading family owned négociants. New in this year, House of Townend Claret is a blend of 65% Merlot and 35% Cabernet Sauvignon delivering a seductive and alluring bouquet with ripe black berry aromas.

2. HOUSE OF TOWNEND CHAMPAGNE TSRC010 £29.99

Made especially for House of Townend by Champagne Ellner, the family owned, award winning Champagne house with whom we have had a strong relationship with for over 30 years, our Special Reserve Champagne is great value for those who enjoy vintage style Champagnes.

Described by Joanna Simon as "Excellent value Champagne" which gives "toasted sourdough, sweet lemon and frangipane flavours, textured, creamy depth and balancing zesty acidity.", and the team at Jancis Robinson as "striking just the right balance between the tingling acidity, neat bubbles and creamy hazelnuts."

3. HOUSE OF TOWNEND WHITE BURGUNDY HOUS040 £13.99

We have been thrilled with the success of our House of Townend White Burgundy, since we introduced it into our range a couple of years ago. Working with oenologist Alain Pierre, our aim was to offer great drinking at an affordable price, which is no mean feat in Burgundy! Consequently, we were absolutely delighted to see it recognised as a top value Burgundy in the Decanter Magazine.

Specials

1. BIG BELTIE CABERNET SAUVIGNON BIGB001

When it comes to matching a wine with steak (or other red meat), look no further than this fabulous Cabernet Sauvignon. Rich, ripe, blackcurrant and cassis fruit, with smoky and peppery hints.

2. BIG BELTIE SAUVIGNON BLANC BIGB005
WAS £10.99 - NOW £9.99

Partner to our award winning Big Beltie Cabernet Sauvignon, which has received rave reviews since it was launched 6 months ago, this deliciously fresh, crisp and dry white is produced from 100% Sauvignon Blanc grapes.

3. LE PROFESSEUR MARSELAN PROF015
WAS £10.49 - NOW £9.49

Marselan is a cross between Cabernet Sauvignon & Grenache – created in 1961 by Paul Truel, a highly respected Ampelographer. 4. WHEN LIFE GIVES YOU ORANGES ORAN055
VIN ORANGE
WAS £11.99 - NOW £10.99

When life gives you Oranges... make Orange Wine! “Ceci n’est pas une Orange” as surrealist artist, René Magritte would say, and he would be right as it is not made with oranges, but it’s also not your traditional red, white or rosé wine. It’s a new thing, it does not fit into the boxes and we love it!

GARDET

Master Winemaker

We are delighted to announce that Stéphanie Sucheyre, winemaker at Gardet Champagne, was featured in The Drinks Business Master Winemaker 2024 Top 100, and also crowned 'Best New Entrant'.

When the judges award 'Master', it means that they have agreed on the exceptional quality of the winning wine, so very few wines are honoured with this award at each competition. This year, for the Champagne Masters category of the Global Wine Masters, only 7 Champagne winemakers received this distinction out of more than 160 participants.

Champagne Gardet is an independent, family owned House in Chignyles-Roses, a beautiful village halfway between Épernay and Reims. Their small size allows them to explore traditional working methods in the spirit of the artisan winemaker, however as a négociant, they also have the opportunity to create refined Champagnes, drawing on the best of each region of the Champagne AOC.

We love the richness of fruit and balancing acidity that the Champagne from Gardet displays – a minimum of 36 months bottle age prior to release certainly a contributing factor. Gardet focus on high quality, bespoke Champagne that offers staggering value compared to many of the bigger brands and houses.

FINE WINE *Introduction*

For over 100 years we have travelled far and wide to seek out great wines from great winemakers, and have built strong and lasting relations with some of the World's finest Châteaux, Domaines and Estates. We hold the largest range of Fine Wines in the North of England in our temperature controlled, under bond cellars here in Melton, ensuring their quality and provenance. Our range of Bordeaux and Burgundy is particularly strong and we receive regular recognition in the National press as well as awards from the likes of Decanter Magazine and the International Wine Challenge.

We pride ourselves on the strength of our buying team, who taste on an almost daily basis along with regular visits to the many different wine producing regions of the world. Our policy is simple: every wine that we list has to be tasted by the team who, between them, have over 100 years of experience in the wine industry holding some of the very highest qualifications.

Please do ask for more information on our En Primeur and In Bond Offers or, if you would like to join our mailing list please email: hannah.boyes@houseoftownend.co.uk

GACCI

We are absolutely delighted to introduce to the UK this sensational, one wine producer from the region of Emilia Romagna in north central Italy. The Gacci Estate, owned by Sandra Lodi Vetrano, produces a single wine, a unique blend of 52% Sangiovese 24% Merlot, 21% Cabernet Sauvignon, 3% Ancellotta, with an annual production of only 9000 bottles. The vineyards are farmed manually, completely free of any chemicals and fully organic.

At every stage of its life, this wine has been made, not to score points, or draw parallels, but to bring the biggest smile to the person lucky enough to be able to pull the cork on a bottle. We say this to underline the fact that this isn't Sassicaia or Tignanello, this is a wine that until now has been waiting to be discovered. It is no more than a poetic expression of individuality itself.

The nose, the aromas are complex; blackcurrants, plums, liquorice and an undertone of leather. It is full bodied and perfectly balanced with notes of ripe red fruits - think cherries and blackberries, as well as delicate spice nuances and tobacco that give the wine a unique character. The tannins are soft and well integrated, resulting in a supple and longlasting finish. It is a true sensation!

We feel extremely proud to have discovered this wine and to have the opportunity to share with you at the Opening Release Price of £150.00 per case (3x75cl) - usually £225.
