FAMILY WINE MERCHANTS SINCE 1906

Château Caronne Ste Gemme 2020, Haut-Médoc

Price £20.49
Code CARO105

Situated next to Château Gruaud Larose, this estate possesses top class vineyards producing fruit worthy of Classed Growth status. Our old friend Francois Nony always produces wines of consistently high quality.

Tasting Notes:

A very aromatic violet bouquet, the palate is profound with ripe cassis fruit, hints of sweet tobacco, a touch of pencil lead and finely integrated oak. There is a classic rigidity to this wine with fine, polished tannins and a chewy ripe fruit texture. As always this Château delivers great poise and balance.

Specification	
Vinification	The grapes are destemmed, then slightly crushed and put into stainless steel fermentation vats which are thermo-regulated. Fermentation is led at the temperature of 26/28° Celsius with light “over the top” pumping for a soft extraction of the skins. The maceration can last three weeks. The wine ageing of 12 months is made exclusively in French barrels of 225 lt, of which 25% are renewed each year. The wine is fined and finally bottled at the vineyard 20 months after the harvest.
