### Tasting Notes:

There is no vanity here, just a really well constructed Claret that will surely punch above its weight. The Cabernet Sauvignon takes a leading role with 75% of the blend delivering a sturdy palate of cassis, plum and a touch of chocolate. The oak content is lower this vintage, allowing the terroir to show through, with graphite and pencil lead giving an added dimension. A joyful Claret!

<b>Vinification</b>	The grapes are destemmed, then slightly crushed and put into stainless steel fermentation vats which are thermo-regulated. Fermentation is led at the temperature of 26/28° Celsius with light “over the top” pumping for a soft extraction of the skins. The maceration can last three weeks. The wine ageing of 12 months is made exclusively in French barrels of 225 lt, of which 25% are renewed each year. The wine is fined and finally bottled at the vineyard 20 months after the harvest.
