One of the most famous and historic Saint Julien 2nd Growth properties, it has also been one of the most popular for many years. A consistent high performer.

Tasting Notes:

This is one of the most popular En Primeur châteaux that consistently delivers an exceptional claret. Beautifully crafted there is a stunning elegance to this wine that provides great balance. The palate offers tight and fresh crunchy cassis fruits, pencil lead character and a little cedar oak. A very refined claret with great precision and finesse.

Specification	
Vinification	To produce the wine of Château Gruaud Larose, the wine is vinified in a combination of cement tanks and wood vats. A portion of the malolactic fermentation takes place in French, oak barrels (about 35%). The remainder of the malolactic fermentation takes place in a combination of cement vats and oak tanks. The wine of Chateau Gruaud Larose is then aged in 80% new, French oak barrels for about 18-24 months.
