The 2023 vintage marks the launch of the Oceanic Climate range: single-varietal wines particularly well-suited to the soils of Pellehaut. This new range reflects Mathieu Bérault's ambition to establish Gascony as a terroir of reference. The Sauvignon Blanc has a lower ABV but remains airy, delicate and fresh.

Tasting Notes:

This 100% Sauvignon blanc, airy and delicate, presents a remarkable aromatic palate and a beautiful balance in the mouth.
