Felton Road Dry Riesling is a dry, exotic and mineral wine. A very powerful mineral expression.

Tasting Notes:

The nose explodes with spring blossom supported by ripe pear and melon. Surprisingly softly textured through the mid-palate for a dry Riesling that's initially all fruit. But the vibrant acidity and mineral characters quickly kick in, adding seriousness and bringing it to a lengthy and satisfying close.

FAMILY WINE MERCHANTS SINCE 1906

| Specification | |
|--------------------------|--|
| Vinification | Riesling from Block 2 of The Elms vineyard was hand-picked then carefully whole bunch pressed, settled for 4 days before racking, then followed by a slow fermentation of 8 weeks with indigenous yeasts to almost complete dryness (5g/L RS). The wine rested on fine lees to build palate weight before bottling in early-September after minimal processing to preserve and highlight the delicate Riesling characters. |
