Jigger' is an old English term for a good measure which is used when combining the juice of eight mandarins and the zest of Seville orange in every bottle.

---

### Tasting Notes:

An orange opaque liquid with natural sediment. Requires upending before pouring. Containing more than 50% Mandarin juice enhanced by a particularly fine Mandarin oil orange is the predominant aroma and taste. There is a full-bodied distinct Mandarin character to the liquid with just a hint of ginger. This complements the Seville orange adding to the flavour and balancing the sweetness.
