## Filey Bay Orange Wine Barrique Single Malt Whisky

---

**Price** £79.99  
**Code** FILE090

Over the last few years, deep within their warehouse, four ex-orange wine barriques have been happily maturing for this deliciously different special release. But this isn't the skin contact orange wine you'd expect to find on the list of your local artisan wine bar. "Vino Naranja del Condado de Huelva" comes from a very specific part of Spain, taking the sunshine and oranges that the south is famous for. Made in a similar way to other fortified wines but with a key difference: the grape spirit used to fortify the base wine has been aromatised with orange peel before being matured. Matured for just over 7 years, firstly in ex-bourbon casks for 3 years and 3 months, to soften the spirit, before being reduced to 50% abv and then re-racked into orange wine casks for a further 3 years and 10 months. Only 1100 bottles produced.

### Tasting Notes:

Soft and fruity with flavours of orange cake, honeycomb, ripe citrus and stone fruits.
