FAMILY WINE MERCHANTS SINCE 1906

Hotham's Handcrafted Gin

Price £38.49
Code HOTH001

Micro-batches of no more than 50 bottles are distilled by hand in traditional copper alembic stills, in the heart of Hull.

Tasting Notes:

Juniper berries and coriander seeds are joined by the fragrant and delicious flavours of rose and lavender in a gin so perfectly smooth. Pink peppercorns add a hint of spice and a counterbalance to the soft florals, and cardamom pods give a green earthiness to complete the palate.
