FAMILY WINE MERCHANTS SINCE 1906

Kingsdown Still Mineral Water

24 x 330ml

Price	£12.99
Code	KING095

The Kingsdown source is situated in the heart of the North Downs. It is the chalk of the North Downs which provides the key to Kingsdown's purity and quality. By acting as a huge natural filter it removes all impurities whilst ensuring that valuable trace elements are absorbed.

Tasting Notes:

A pure clean tasting spring water at its very best.
