FAMILY WINE MERCHANTS SINCE 1906

Lakes Distillery Gin Miniatures

5cl

Price	£5.49
Code	THEO025

Juniper can be found across the fells in the Lake District, and The Lakes Distillery use this local juniper at the very heart of their gin. Using classic gin botanicals augmented with others native to the Lakes - including bilberry, heather and meadowsweet.

Tasting Notes:

Big, clear, fresh citrus notes. A complex and vibrant gin.
