"This must be one of the best value Sauvignons in Britain because it's bursting with self-confident leafy lime-y, green apple-y freshness." Oz Clarke. Our Le Charme range of Southern French varietal wines are amongst our best sellers. The Sauvignon Blanc is a crisp, fresh white with flavours of cut grass, lime and gooseberry.

### **Tasting Notes:**

A fabulous aromatic wine, fresh on the nose with flavours of citrus fruit combined with blackcurrant leaf aromas and a great roundness.

Specification	
<b>Vinification</b>	For this wine, the grapes are selected from limited yield plots and only when they have reached optimum maturity. De-stemming is followed by maceration of the grapes for a few hours in order to extract the typical aromas of the Sauvignon grape. After clarification through decanting, the juice is transferred to stainless steel tanks for temperature-controlled fermentation. A strict selection process results in an exceptional cuvee in limited quantities. The ageing on fine lees until bottling gives good balance, complexity and roundness to the wine.
