## L'Eterna Rouge, Cave d'Aleria

---

**Price** £23.49  
**Code** ETER001

Red Eterna is aged 6 months in Terracotta Jar. This process, born during antiquity, makes possible a micro-oxidation without giving taste, while preserving the aromas of the wine. It then reveals itself of great purity and finesse, with more fruit and complexity

### Tasting Notes:

Garnet color with purple reflections. Nose marked by the notes of small red fruits. The attack is supple, the texture greedy and soft, beautiful freshness. Melted and silky tannins.
