In Sweden we have used juniper to season our food for generations. Now you can enjoy the timeless flavor in a golden form. The aroma is slightly smoky and spicy, with a much smokier flavor and peaty juniper notes. Together, the flavors unite in a quite unique Swedish flavor.

### Tasting Notes:

lightly smoked and spicy nose with hints of peat, juniper, vanilla and citrus. Smokier palate with dry oaky aromas and light tobacco leaves. Slight saltiness with minerals and green fruits
