The focus pre-Matias was the production of bulk wine for the booming domestic market, where consumption quadrupled. Matias made it his personal mission to produce exceptional quality wines; using old Pergola trained vines, restoring the 100-year-old winery and refurbishing and dividing old concrete tanks for small batch production. The Vineyard's are located in East Mendoza, with altitudes ranging from 600-1,100 metres above sea level.</p>
