# HOUSE OF TOWNEND

FAMILY WINE MERCHANTS SINCE 1906

Specification	
<b>Vinification</b>	Wine Region: Bellarine Peninsula, Victoria. Clone: D1V6. Soil Type: Self mulching black verosol derived from tertiary basalt. Harvest Date: 17/03/20 to 31/03/20. Yield: 3.7kg/vine equates to a tonnage of 9.25tn/ha = 65.0hl/ha. Winemaking: Crushed, destemmed and pressed to tank. Only the best free run juice was used. 35% of the juice was run to older French baarique barrels where it was fermented wild and spent 5 months on lees. The remaining juice was fermented in tank at 13°C for 14 days with extended lees contact for 4 months. The 2 components were blended together and then stabilised, filtered and bottled in September 2020.
