Specification

Vinification

Like the rest of the Ployez-Jacquemart range of vintages, the Vintage Extra-Brut Blanc de Noirs 2015 has been aged in the cellar for a minimum of 6 years. All the grapes are picked by hand and then sorted by variety, cru and the vineyard where they were grown – this forms the basis for the pressing at the estate. Only the juice from the first pressing is considered of sufficient quality. The first five years are aged sur pointe, this traditional ageing process limits contact with yeast while preserving the advantages of ageing before disgorgement and keeps the wine fresh for as long as possible. The vintage Blanc de Noirs is made from Premier Cru Meunier grapes from the village of Ludes and Grand Cru Pinot Noir grapes, from the village of Mailly and is an equal split of both varieties. Grape musts are left to settle twice before fermentation. Moreover, the juice is moved from one vat to another to ensure a high level of oxygen contact. A dosage of 3.5 Gr/L is added - keeping it low produces a highly aromatic / fruity wine with a clean palate and long finish.
