**Price** £14.49  
**Code** POCA405

A wine made from white indigenous Douro varieties source from the highest zones (600 meters) in Quinta de Vale de Cavalos to assure freshness, on a transition between granite and schist soil. The ageing in second year French “Allier” oak casks gives this wine complexity and structure

### Tasting Notes:

On the nose this wine is floral, with citric and yellow stone fruit notes. On the palate it is very involving in the mouth, with well-integrated wood where the notes of yellow stone fruit reappear
