FAMILY WINE MERCHANTS SINCE 1906

Poças Fora da Série Scuba, Manoel Poças

Price	£30.49
Code	POCA410

A highly unique, aromatic, crisp, linear and poised dry white which is great with food. Arinto is a light and aromatic white grape normally found in the Bucelas region of southern Portugal. With around 1 Ha planted in the top Quinta Vale da Cavelos sub region of the Douro, the family estate of Pocas are arguably one of the bigger owners of this elusive and aromatic white grape in the Douro.

Tasting Notes:

Aromas of grapefruit, honeysuckle and lemon. Unctuous, with a good balance, a fresh and long-lasting finish. Faint orange elements, over a core of precise and structured tightness and intense minerality. Faint oak gives weight to a delicious finish.
