FAMILY WINE MERCHANTS SINCE 1906

Specification	
<b>Vinification</b>	The fermentation is long, lasting a full 60 days, and uses the closed tank (Charmat) method, whereby the clarified juice is fermented and then filtered within a series of large steel tanks under pressure, to retain the beautiful ripe fruit notes and steely acidity that this style of wine is famous for. The pale pink colour is derived from the 15% element of still Pinot Noir in the blend.
