FAMILY WINE MERCHANTS SINCE 1906

## Sloemotion Rhubarb and Raspberry Gin

---

<b>Price</b>	£38.99
<b>Code</b>	SLOE085

A delightfully subtle rhubarb gin; a colourful cousin to their Hedgerow Gin.

---

### Tasting Notes:

Their Yorkshire roots brought them to rhubarb, an iconic local crop and much-celebrated taste. Careful not to let the tangy, sharpness of the crimson stems overshadow the hedgerow botanicals, and mingled with the pleasant fruitiness of raspberries.
