St Andrews Riesling 2015

Wakefield Wines

Price £29.49
Code RIES195

St Andrews is the flagship range from Wakefield Wines. The wines are hand crafted from individually selected parcels of fruit, grown on the family's estate vineyards, and are a true labour of love. The wines have consistently accumulated an impressive number of awards and continue to attract national and international recognition for their outstanding quality.

Tasting Notes:

The wine is a very pale straw colour with a slight green tinge. The nose shows zesty lemon and lime aromas along with faint orange blossom. This Riesling has fresh lemon/lime juice characters and a slate-like minerality across the mid-palate. It is backed up by a persistent and refreshing lime finish.
