Specification	
<b>Vinification</b>	The grapes for this delicious wine are harvested from the protected area of Felső-Magyarország in the north east of Hungary. The grapes are fermented in stainless steel tanks at controlled temperatures to intensify the crisp citrus flavours before bottling. It is widely believed that Furmint derives its name from froment, meaning wheat, and relates to the pale golden colour of the wine.

<b>Press Comments</b>	Decanter: 89/100 points. 'This light, zesty and refreshing tippie from Hungary's signature white grape, and offers fabulous value for money. Expressive and easy-drinking, with green apple characters and a hint of honey on the finish. One to have in the fridge on standby.
