FAMILY WINE MERCHANTS SINCE 1906

Taylor's Vintage Port 2016,

Price	£81.99
Code	TAYL175

Regarded as the benchmark for Port wines, Taylors arguably sits alone at the top of a very crowded tree when it comes to quality and structure of wines. Founded in 1692, this family owned company makes wines of great richness, robust firm character and ethereal character, capable of longevity and delectable richness.

Tasting Notes:

Deep purple black with a narrow magenta rim. High notes of pure, intense woodland fruit with lively accents of green apple, fresh plum and raspberry. Around this core of bright, singing fruit is a heady aura of gumcistus and wine herbs. On a deeper register, exotic notes of cedarwood and jasmine provide an additional dimension of complexity. The wine has an attractive leanness and muscularity with sinewy, linear tannins that integrate seamlessly into the mid palate and then re-emerge to hold the wine in a confident grip. Energised by racy acidity, the intense berry flavours continue to build into the long finish. Although the keynotes are refinement and poise, the wine displays the restrained vigour and stamina that are the hallmarks of the Taylor style
