| Producer Overview | <p>Bodegas Lozano was established in 1853 when the Lozano family planted their first vineyards in Villarrobledo, in the province of Albacete, Castilla-La Mancha. The vineyard soils comprise sandy clay over limestone and are planted with 14 different varieties. Still in the hands of the founding family, they combine traditional family values with modern winemaking techniques and high investment, and under the watchful eye of winemaker Alberto Villarraso have become the benchmark for professional family businesses within the international wine sector.</p> |
