York Mediterranean Lemon Gin

Price	£36.49
Code	YORK095

York Gin Mediterranean Lemon is a joyous celebration of a quintessential botanical of English gin from the 18th Century until today. It is 'History in the Tasting' and 'The Taste of Summer' all in one. They absolutely pack this gin with lemons from the sun-kissed Mediterranean. A select mix of just five other classic botanicals complement the citrus perfectly.

Tasting Notes:

delightfully light, balanced and zesty gin. Earthy juniper playing a supporting role to the star of the show - the tongue-tingling Mediterranean lemon.
